**STEERING COMMITTEE MEETING**

On 11.12.2023, the Cross-Border Steering Committee of the Fireshield Project held its next meeting with representatives of the project's partners. This meeting took place in the premises of the municipality of Bogovina with the welcome of the mayor of the municipality, Mr. Besnik Emshi.

The meeting opened with the greeting speech of the Mayor, who thanked the participants and welcomed them.

After the welcoming speech of each of the beneficiaries of the project, the attendees emphasized the good and positive cooperation of all for the smooth running of the project activities, their dedication, commitment and positive achievements in the realization of the activities and the fulfillment of the objectives at the right time.

After the meeting held between the partners, the project committee organized and conducted a visit to the Fire station that is being built in the municipality of Bogovina, where they are working on its complete construction and the completion of the works in a very short time, so that this station come to the aid of the communities of the two municipalities as soon as possible.

The project staff discussed together the administrative and practical procedures of the future activities, especially those involving the implementation of the foreseen joint activities.

This project is financed under the call IPA II, CBC, Europe Aid/170339/DD/ACT/MK
