

THE EUROPEAN UNION'S CROSS BORDER
COOPERATION PROGRAM

Project funded by IPA CBC under EuropeAid/170339/DD/ACT/MK

08/09/2023

Project: CROSS-BORDER PROTECTION

The implementation of the "Crossborder -Fireshield" project continues with planned activities, making its implementation and implementation a success for every partner and collaborator of the project.

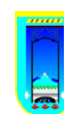

After the correct procedures followed in accordance with the specific requirements, according to the policy of the European Union, the firefighting vehicle planned to be part of the emergency assistance vehicles in the Fire Department in this community is already present in the Municipality of Bogovine.

This tool will serve the needs of this community and will greatly facilitate the process of intervention and providing first aid for the problems that have appeared and happened in this area.

The existence of this tool was a necessity for the entire community and the area where this community is located, making us as efficient and effective as possible in our work, for the benefit of all.

This project is financed under the call IPA II, CBC, Europe Aid/170339/DD/ACT/MK
